Founding Designer

Fulstakt Inc. – HalalYouNeed

- Navigated from ambiguous market gap to shipped product with product-market fit: Identified that 76% of Western Muslims skip early morning prayers, synthesized research into a gamified habit app;
- AI-assisted prototyping as core workflow: Claude Code, Cursor, and Figma MCP to build, iterated with real user feedback, shipped production versions (iOS / Android);
- Designed complete UX system in Figma: Star economy, daily reset mechanics, 5 mini-games, progressive sunrise alarm system;
- 60% free-to-paid conversion at launch, validating the POC-to-pilot path in a 1.8B+ TAM market with no meaningful competitor.

Co-founder & CPO

Secret Pirates Entertainment – Lumiii

- Won 2022 World EdTech Startup Challenge: Synthesized complex UN SDG curriculum into Lumiii, an animated tween brand and gamified educational platform;
- Led brand strategy, product design, and go-to-market across animation, gaming, and learn-to-earn verticals
- Raised \$800k in venture capital and shipped consumer products; identified sales-cycle friction; pivoted to acute-pain-point focus.
